14% Petit Verdot

## OAK

Bordeaux barrels - 22% new

## APPELLATION

Napa Valley

## REGIMEN

17 months

## VINEYARD

Beller Vineyard

## ALCOHOL

13.56%

## WINEMAKING

The fruit for our Cabernet Sauvignon comes from the Beller Vineyard on Mt. Veeder. It is a co-ferment of Cabernet Sauvignon Clone 169 and Petit Verdot. The grapes were harvested on September 28, 2018. The grapes were fermented using indigenous yeast and malolactic bacteria, and were pressed off the skins on October 15. The wine was aged in thin-staved Bordeaux chateau barrels for 17 months and racked through the heads (*soutirage traditionnel*) every 3 months.

## TASTING NOTES

The 2018 Cabernet Sauvignon, Beller Vineyard has a dark, nearly opaque, garnet color. On the nose, it displays heady aromas of cassis, tart cherry, sandalwood and hints of fresh bay leaves and pine resin. On the palate, the wine has a fruit sweet entry and is mouth-coating and full on the mid-palate without being hot or heavy, with echoes of black fruit and herbs. The wine is ethereal and somehow concentrated at the same time; this sense carries through on the long, vibrant finish.
